TIME SAMS

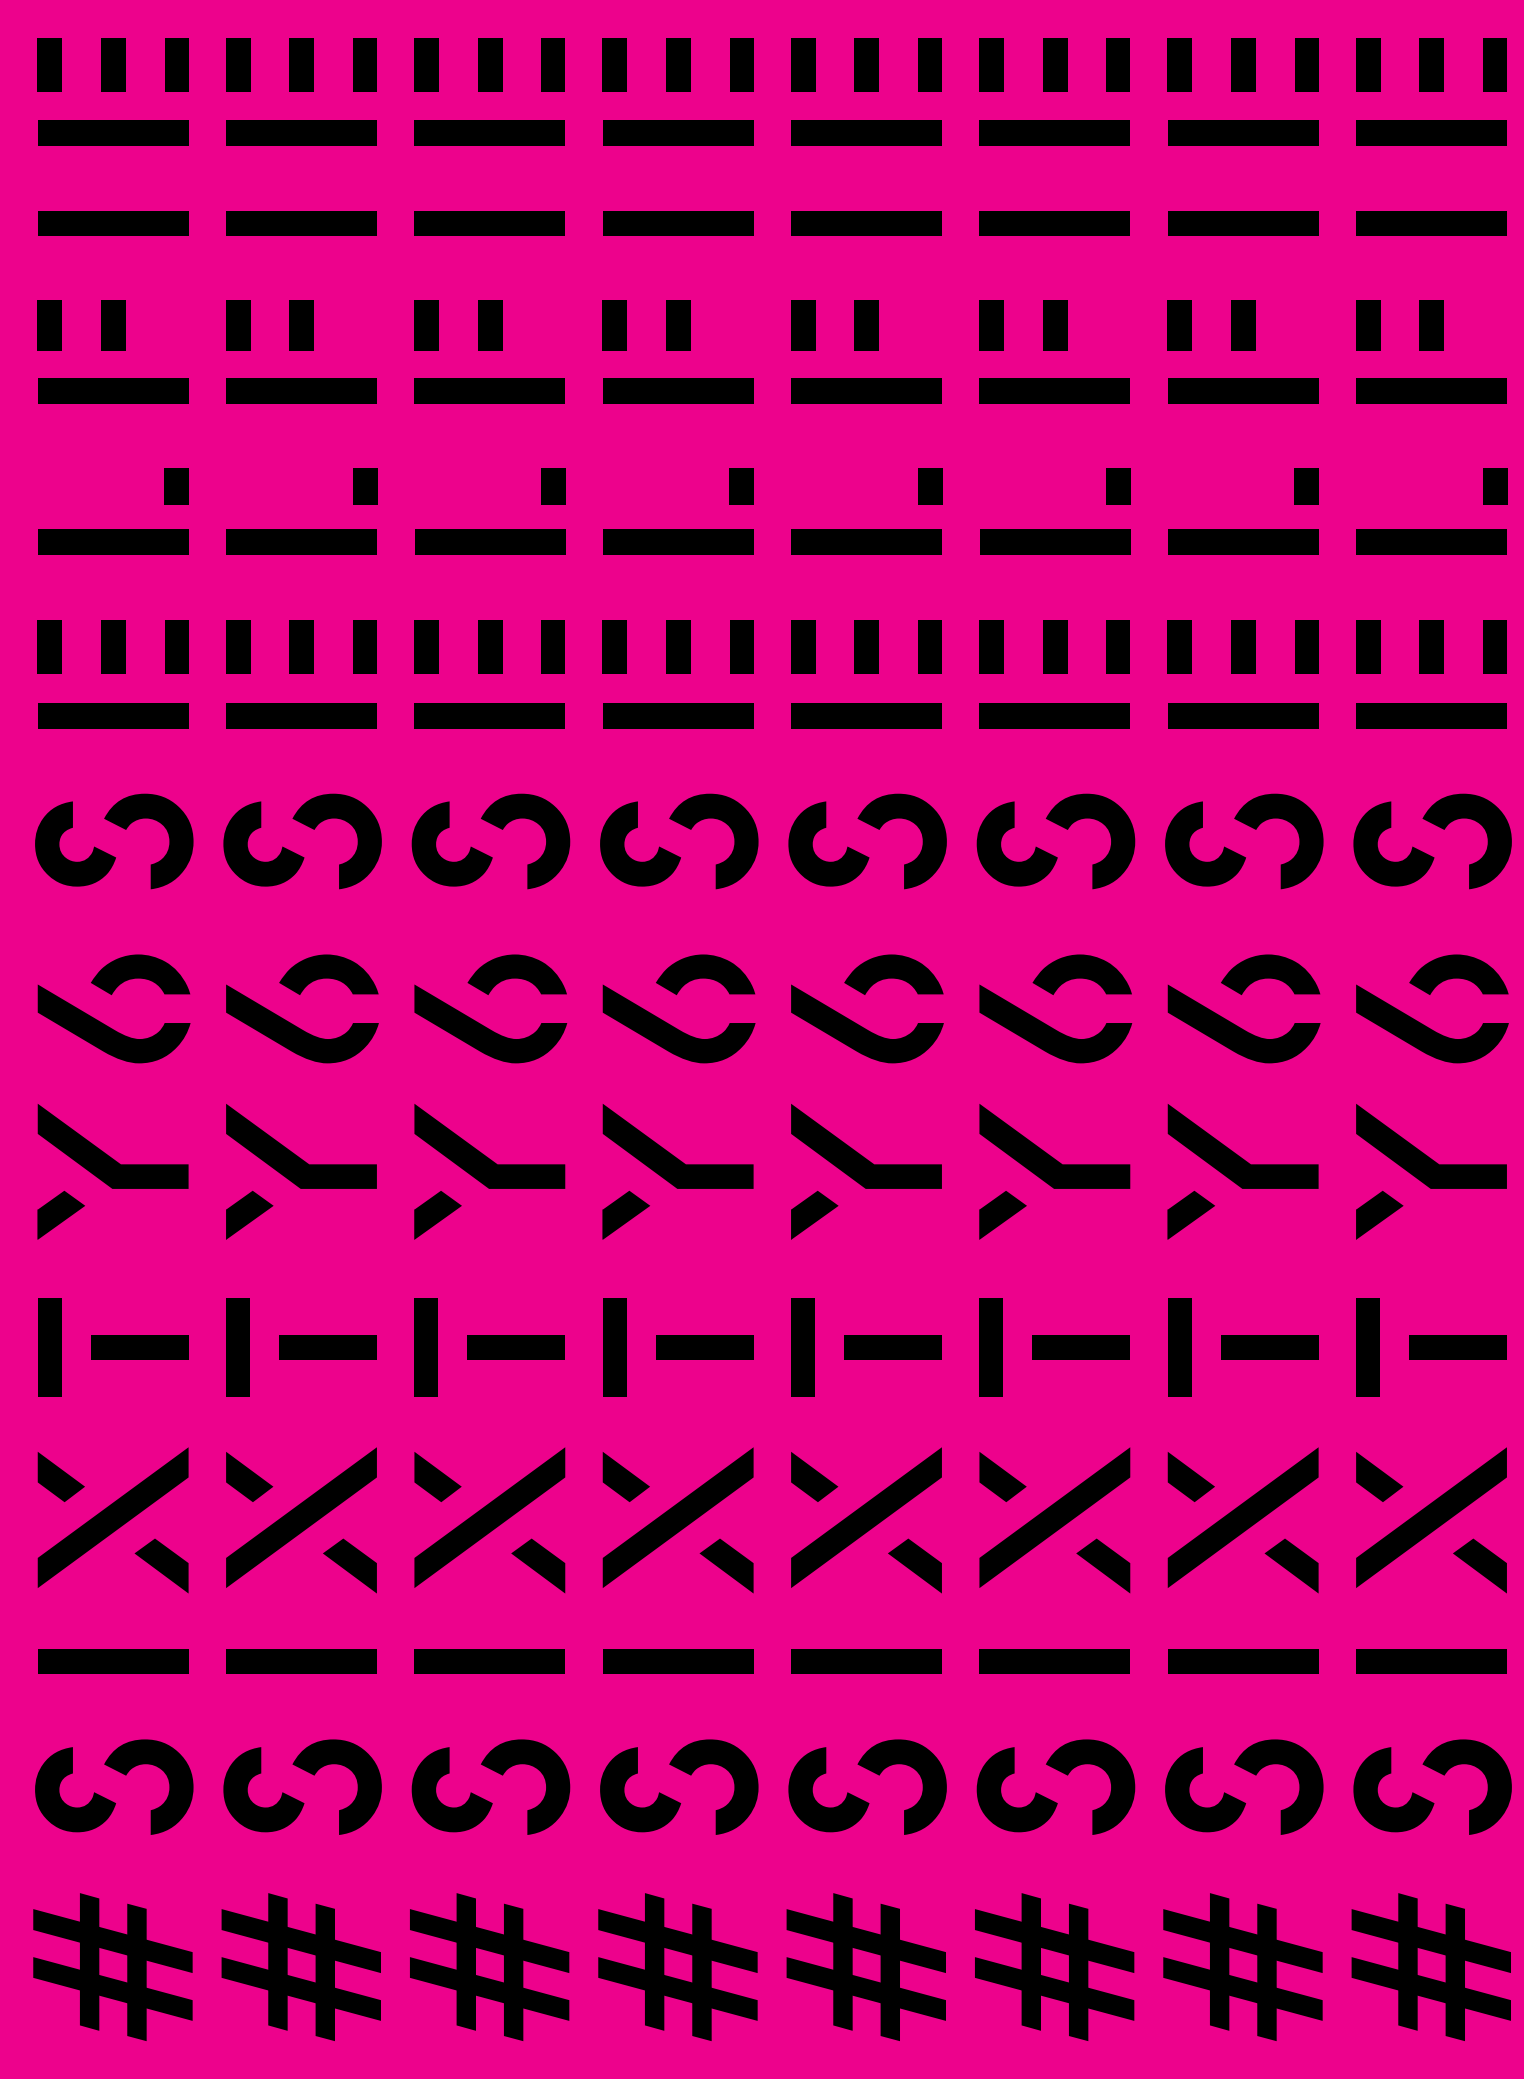

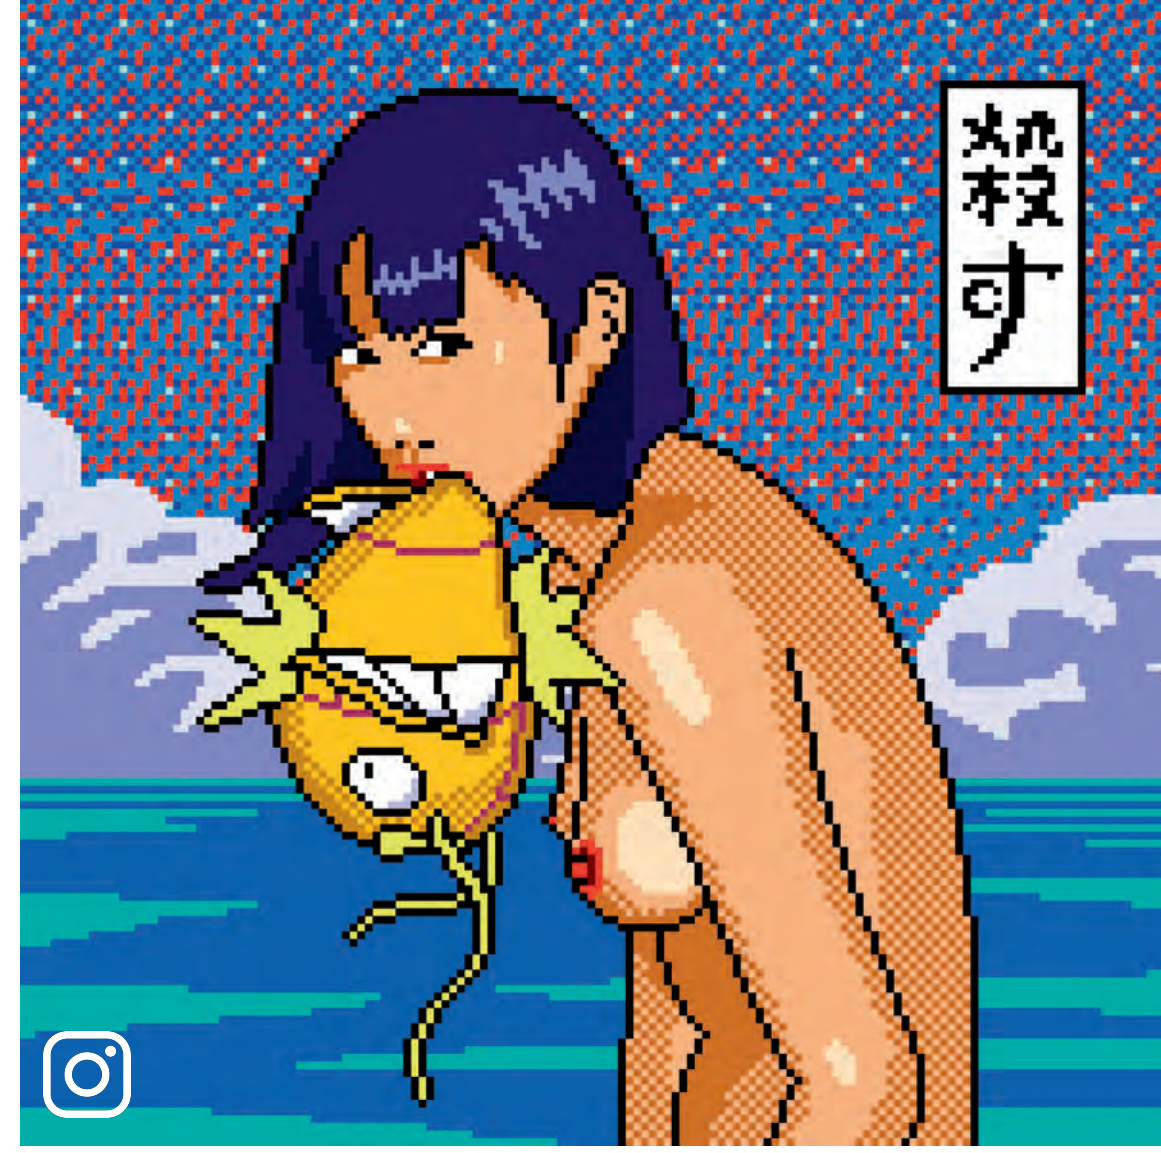

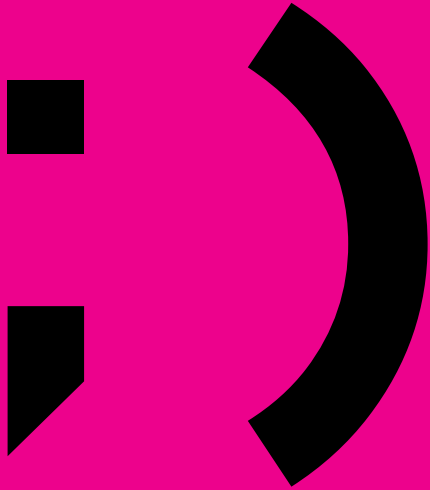

"Give me a home where the antelope roam, and the men are frisky all day!" sings Deidre, a lyrical lady with a love for the wide, open spaces. I was born and raised in the Wiltshire countryside and, when I go home to visit, I still love to take off all my clothes and go wandering through the woods to be at one with nature. It gives me such a feeling of freedom. Unexpectedly, just last month, I met a guy I'd gone to the local college with. We were happy to recognise each other. He told me I'd grown up a lot! He stripped off too, and I soon saw that he'd grown a lot too!"
