July 7, 1990

Location: Little Rock, AR

Victim(s): Treva Parks 33

Attacker(s): John B. Yancey Jr.

Description: Yancey broke into Treva's apartment and raped her, before killing her. He was tied to the crime 20 years later, when DNA from blood left on a towel in Treva's apartment was matched to Yancey's, when he was forced to give a DNA sample after being convicted of domestic battery and assault in 2009.
